NOTES:

Discretionary Credit Limits under Short Term Insurance Policies are withdrawn. Cover not available unless specified in a special buyer credit limit endorsement, issuing bank credit limit endorsement, or country limit of liability endorsement.

Prior to accepting an application for a preliminary or final commitment for a public sector transaction, or for any insurance, Ex-Im Bank will require an indication of host government support for the application. Contact Ex-Im Bank for more detailed information on specific markets.

Ex-Im Bank cover/support for short and medium-term private sector transactions is typically limited to transactions with a commercial bank as obligor or guarantor.

Ex-Im Bank cover/support for public sector transactions is typically limited to transactions which commit the full faith and credit of the government.

Medium-term public sector transactions are subject to Ministry of Finance notification to Ex-Im Bank that the transaction is of highest priority and would conform with IMF program limits on non-concessional debt.

Although closed for certain routine trade transactions, Ex-Im Bank will consider structure financing arrangements such as Ex-Im Bank's project finance program, asset based aircraft leases, and other financing arrangements that offer a reasonable assurance of repayment, including reliable access to adequate foreign exchange.
